

My name is Alexandra Jacuch. I am running for the 2 year position as a member of the Board of Trustees for the Langdon Library. I currently live on Little Bay Road with my teenage daughter. I have lived in Newington for the past 24 years and feel very fortunate to live and raise my daughter in this wonderful town. Books and reading have been a passion of mine for many years. In the past, I have volunteered through the United Way K-Ready Reader program, reading to young children at Rochester Childcare in Rochester, NH. I also volunteered weekly at the library of the elementary school my daughter attended. Some of my most cherished moments, as a mom, have been reading with my daughter nightly, and sharing book discussions and recommendations as she has grown. We have both enjoyed Langdon Library and the many programs it has offered over the years. I feel very fortunate to have this small yet, impactful community resource, and I only truly began to feel more connected to the Newington community after I discovered and started regularly visiting the library years ago.

Several weeks ago, it came to my attention that there was an opening to serve the Newington community and Langdon Library, as a member of the Board of Trustees. If elected, I would be honored and humbled to support and guide the library to very best of my abilities, as a member of the Board.

I would be grateful for the opportunity to serve the Library as a 2 year member of the Board of Trustees. Although I will be away and unable to attend the "Meet the Candidates" evening on March 7, I welcome any questions or comments, and I can be emailed at acsmha@aol.com.
