

Alexandra Jacuch, Library Trustee, 3 Year Term

Hello, my name is Alexandra Jacuch. I am running to serve a three year term as a Trustee for Langdon Library. I am currently the acting Secretary for the Langdon Library Board of Trustees, and have been for the past 2 years.

I've lived in Newington for 26 years, and feel very fortunate to have been able to raise my daughter in this wonderful town. Books and reading have been a passion of mine for many years. In the past, I have volunteered through the United Way K-Ready Reader program, reading to pre-school aged children at Rochester Childcare in Rochester, NH. I also volunteered weekly at the library of the elementary school my daughter attended. Some of my most cherished moments, as a mom, have been reading with my daughter nightly, and sharing book discussions and recommendations as she has grown. We've both enjoyed Langdon Library and the many programs it has offered to the community over the years. I am very grateful to have this small, yet impactful community resource, and I only truly began to feel more connected to the Newington community after I discovered and started regularly visiting the library years ago.

It has been a privilege to serve the Newington community as a member of the Library's Board of Trustees. I welcome the opportunity to continue to support and guide Langdon Library to the best of my abilities for the next three years if re-elected.

I look forward to attending "Meet the Candidates" night at the Library on Tuesday, March 4, and I hope to see you then!
